Update: May 2006
First Taster Day; Applications Coming In

Edward Lobb

Dear Friends,

We have much to thank God for!

Last time we asked you to pray for **Telling the Truth**, our Cornhill 'Taster Day'. We give thanks to God that this was an excellent day of fellowship and feeding on the Word.

Around 100 people of all ages gathered from over 20 churches for sessions led by myself, Bob Fyall and Willie Philip.

see pictures and listen in via the Cornhill Scotland website: www.cornhillscotland.org.uk/2006trainingday.php

We also give thanks that we have now interviewed and admitted **5 excellent students**, and applications are still coming in, which is very encouraging.

Pray continue praying for

- Continuing progress with further applications
- Visits to ministers around Scotland
- Practical and material needs to be met

With thanks for your prayers,

Edward Lobb
