

Cornhill Scotland

Incorporating the Cornhill Training Course Scotland

Update: June 2006
For your prayerful interest and support

From the Chairman...

Dear Friends,

We continue to thank God for for his many answers to your prayers.

Last week our trustees met here in Glasgow. It was a time of great encouragement for us all as we looked back over the last months to see the Lord's hand at work weaving plans together for the start of *CTC Scotland* this Autumn.

We now have **10 students** enrolled for September - double the numbers from a month ago. We have come along way since our first student signed up as an act of faith early this year!

Please
continue to pray
for

- Further applications soon - our 'target' has always been 12 students
- Edward's preparation as Director of CTCs:
for this year's *Cornhill Summer School* in London, and especially for September
- Good placements for students to be finalised
- Practical and material needs to be met

With thanks for your prayers,
