

Cornhill Scotland

Incorporating the **Cornhill Training Course Scotland**

Update: July 2006
For your prayerful interest and support

From Bryan Duncan, Cornhill Scotland Trustee and Secretary...

Greetings in our Lord! We are now only 8 weeks or so from the start of the first Cornhill Training Course in Scotland.

We have a great deal to be thankful for: not least the 10 enrolled students, Edward Lobb as course Director together with Ann Lightbody in admin support, the provision of a building to meet in, and enough early financial support to help deliver this as a reality. It is all hugely exciting!

We do, however, have some practical needs and would value any support you could give for the following:

- providing quality reference/study books for a small on-site Library - donations welcome, either

good-
books or towards
estimated £10k setup cost.

- help raising bursary funds to make it possible for an able Nigerian student who is keen to join us this year.
- Continued prayer for all practical and logistical issues as Edward and Ann make all the course/welcome preparations.

Please do contact the office, or myself directly (bryan.duncan@donaldsons.co.uk), if you can help in any way.

With thanks for your prayers, **Bryan**
