

Cornhill Scotland

Incorporating the **Cornhill Training Course Scotland**

Update: March 2008

For your prayerful interest and support

From the Chairman...

William Philip

Dear Friends,

Do give thanks with us for an excellent start to 2008.

The mission teams to Dundee and Edinburgh got on really well, and came back encouraged. Bob's evening Classes, *Making the most of our Bibles*, have been well attended (around 50-60 each week) and much appreciated. And we have 5 students so far for next year's intake, which is encouraging.

On April 26th is our *Real Gospel Churches* day-conference led by David Jackman, who will stay on to teach the students for a few days. Then in June we again look forward to our *Servants of the Word* conference for younger ministers, with Ralph Davis and Alistair Begg.

Please do pray for all these, that bookings will be steady and good, and that the events will really help and encourage the work of the gospel here in Scotland.

Please pray for

- *Applications* soon from more good students for next year.
- *Edward & Bob* as they teach and also preach around in various churches making CTCS known. Bob visits Australia to speak at a Preachers' conference in April (5-13th).
- *Our Students* as they think about their future service after the course is complete.
- *Our Trustees* that we remain faithfully focussed on the priorities of real gospel ministry

With thanks for your prayers,

PS Edward's prize Cock, called **The Rev Dr WJU Philip**, won first prize at the English championships. I am basking in the reflected glory of my famous namesake!
