

SERVANTS OF THE WORD

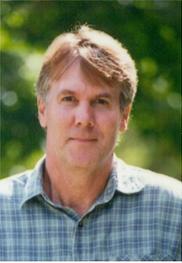

Cornhill Scotland

An expositors' conference for those
in ministry and in ministry-training

Tuesday 5th - Thursday 7th
June 2018

PLENARY SPEAKERS

We are glad to welcome **Simon Manchester** to give keynote addresses this year. Simon is Rector of St Thomas Anglican Church, North Sydney and a founding Director of Cornhill Sydney. Simon has previously taught on PTC residential for Cornhill Scotland, and we are delighted he is able to join us for SOW.

Dick Lucas joins us once again to share his unique contribution of biblical clarity, wit and the wisdom of a lifetime in ministry. Dick will give a Conference Address and lead a workshop. Dick is Rector Emeritus of St Helen's, Bishopsgate, and founder of The Proclamation Trust.

William Philip will chair the conference and give this year's *expositions for expositors*. Willie is chairman of Cornhill Scotland, and senior minister at The Tron Church, Glasgow.

The programme will include **expository workshops** led by experienced bible teachers, aimed at getting to grips with a book of the bible, or theme, working together to fuel our preaching and teaching for the future.

This year, in response to suggestions from regulars, the workshops are streamed, with some focused for pastors & regular preachers only, one reserved for women, and most open to all. We hope this will be helpful.

The conference also affords ample opportunity for fellowship and prayer - time together over food to talk, share and pray together about our ministries.

SERVANTS OF THE WORD

Servants of the Word is a 3 day, non-residential conference, focussed on the practical tasks involved in the hard work of the staple of ministry: bible exposition and application.

The Conference is for active ministers, as well as those in training for ministry, and others in full-time bible teaching roles. It will be held at the premises of Cornhill Scotland and The Tron Church, at 31 and 25 Bath Street, Glasgow and will cost £125, with lunch and all refreshments included.

The conference will run between 9.30am and 4.30pm each day. Places will be limited, in order to make this a really focussed and useful time of working together in the word of God, and sharing fellowship together as we do so. So please book early to avoid disappointment. We can only guarantee a place once payment has been received.

Please don't let cost alone be a bar to you joining us. There may be some limited funds to help in cases of need. Please do make others who may benefit aware of this opportunity. Why not come and bring a friend?

The cost of the conference is £125. For more information or to book your place and make your Workshop selections visit:
