Incorporating the **Cornhill Training Course Scotland**

Update:

William Philip

From the Chairman...

Dear Friends,

The Mission week in February saw teams at High Hilton in Aberdeen and Holyrood Abbey & New Restalrig in Edinburgh – and great times were had by all. The **Growing Churches** Day with **Phil Jensen** was great, with over 250 people and some 60 churches represented, so we have so much to thank God for.

Our major news to share is that **Bob Fyall** will be joining us full time this autumn. Learning he would be leaving Rutherford House, probably to head southwards, we knew we couldn't lose him for Scotland, or for CTCS, so we pulled out all the stops to keep him. It worked!

Bob's full time partnership will be a great strength for the course, and we are thankful to God for this timely development. Of course this brings challenges for our trustees in terms of resources, but we firmly believe that resources follow vision, and we ask you to pray with us to that end.

With thanks for your prayers,
