

# Cornhill Scotland

Incorporating the Cornhill Training Course Scotland

**Update: July 2009**  
For your prayerful interest and support

Dear Friends,

Just a few lines to keep you abreast of events for your prayers:

- ***Incoming students:*** We're delighted to report that we have about twenty students coming to us in September. This is most encouraging, and suggests to us that the Course is becoming more widely known and trusted in Scotland. About fourteen of them are Scots: the remainder are a mixture from India, Germany, Slovakia, the USA and England. Nearly half of our students will be taking the Course part-time over two years. Please pray for us as we adjust to the larger numbers.
- ***Student placements:*** Please pray that we'll be able to place all our students with the right pastor and church.
- ***Forthcoming events:*** Bob Fyall will be running evening classes in the autumn (a good shop window for Cornhill), and we are planning a Taster Day in Edinburgh on 14th November. Willie Philip and I are to spend a week in Delhi in November, developing our good links with the Delhi Bible Institute, who have sent us two students to date.
- ***Office:*** Please pray for Manon McNarlin who is running our admin while Ann McMahan is away on maternity leave.

We are much encouraged. Thank you for persevering in prayer with us. We appreciate your fellowship so much.

With warmest good wishes,

Edward Lobb
