Dear Friends,

Do pray with us as we begin 2010.

Last term ended with trauma, as **Bob Fyall** took unwell very suddenly, and was rushed into hospital with septicaemia. Fortunately, after undergoing emergency surgery to remove his gallbladder, and a week in High Dependency, he was discharged to convalesce. Six weeks on he is recovering well, and hoping to make a staged return to teaching soon. But do please pray for a full recovery of strength, and wisdom in managing things as he does so.

We give thanks to God for giving us help through the input of Craig Dyer and David Gibson, but do pray also for **Edward**, who has added responsibilities. He too is recovering from a bout of shingles.

Despite these setbacks, we have much to be thankful for. Last term flew in with our 25 lively students, and this term has also started well. November saw an excellent **Cornhill Training Day** in Edinburgh, with some 150

there from various local churches. Then Edward and I were in Delhi together for a good time at the third **Word Conference** run by the Delhi Bible Institute for over 500 pastors and evangelists. One of our last-year's students is now back at DBI, and we have another studying with us this year— a growing partnership. **Please pray on for**

- **Applications** for next year
- **Bob and Edward**, for strength and stamina
- **Missions** in February to churches in Banchory and Edinburgh
- Our **Servants of the Word** conference (June 15-17), that it will be a real encouragement to many.
