

Cornhill Scotland

Update: April 2017

For your prayerful interest and support

Dear Friends,

As we approach the end of this spring term at Cornhill Scotland let me bring you up to date with our latest news. We have much to be thankful to God for, and some things we would covet your prayers for:

HIS WORD IN MY HANDS

It was encouraging to have so many join us for the two Cornhill Scotland Bible-handling training-days in Gilcomston Church, Aberdeen and at the Tron Church, Glasgow on Saturday 11th and 25th March respectively. Over 200 people representing 40 or so congregations joined us over the two days. With this being the first time we had run a day like this in Aberdeen we focused on general Bible handling skills, whereas in Glasgow we took as our theme 'Preaching the Gospel from the Gospels'.

If you missed the training day you can listen to recordings of the Glasgow day by following [this link to the website](#).

We plan to hold a similar training day next year on 3rd (Dundee) and 17th (Glasgow) March 2018 with 'Teaching the Gospel from the Epistles' as the theme - details will be on the website in due course.

SERVANTS OF THE WORD

Booking has opened for the 'SERVANTS OF THE WORD' from 13th -15th June, 2017. We are looking forward to Peter Adam giving keynote addresses on Biblical Wisdom and Andy Gemmill three expositions for expositors, opening up the book of Ephesians. Dick Lucas will give a Conference address from John's Gospel and William Philip will deliver the Conference Sermon.

[Click here for more information and the online booking form.](#)

PLEASE PRAY FOR:

- Our students over the Easter and as they return to Cornhill on the 24th April for the summer term. We are thankful that most of our final year students have ministry opportunities to move onto after the summer.
- Applications for places in 2017/18 - we have had a number already, but look forward to receiving more in the coming weeks.
- Students applying for the Pastors' Training Course.

With thanks for your prayers,

Charles Alford, Director of Operations
